

8. Leading Singing with Children Worksheet

Key points from the Video

Write down your action points (e.g. what do you need to change or do)

Accompaniment

- Provide a confident lead
- Make sure the music is loud enough
- Make eye contact with the children
- Know what you're doing
- Live or pre-recorded?
- Go for it, however lacking in confidence you might be

Choosing songs

- Don't give them songs that are biblically misleading
- Choose songs that are sing-able

Actions

- Help children to engage with the song
- Help to communicate the meaning of the song

Teaching new songs

- You need to get to know the song well
- Try teaching a couple of lines at a time
- You sing then they sing back
- Don't worry if they don't get it straight away
